WESTERN KENTUCKY UNIVERSITY

A University Meeting Tomorrow's Challenge

With a solid record of service to the citizens of Kentucky, Western Kentucky University has continually met the increasing demands placed upon its educational resources. In an era of exploding knowledge and great population expansion, there has been—and will be—a constant need for development in new fields of endeavor, new professions, and increased knowledge in existing fields. Western has moved with this momentum of educational thirst to develop its services and facilities to the fullest extent.

Sixty Years Of Progress

Originally created for the purpose of training teachers as a State Normal school in 1906, the University has steadily increased the scope of its academic program to meet the ever changing and growing needs of its students. Sixty years later, as a reflection of its rapid rate of development, Western Kentucky State College was granted University status.

Today, Western Kentucky consists of the Graduate School, four colleges, and other academic divisions. In addition to the Master of Science and the Master of Arts degrees, Western offers the Master of Science for College Teachers,

Master of Arts for College Teachers, Master of Arts in Education, Master of Public Administration, and Master of Public Service.

Western offers a joint doctoral program in cooperation with the University of Kentucky and George Peabody College for Teachers, Nashville, Tennessee.

Undergraduate School

The University's undergraduate school offers 32 academic majors, 37 academic minors, and 13 areas of concentration. It consists of the Bowling Green College of Commerce, the College of Education, the Potter College of Liberal Arts, and the Ogden College of Science, the Bachelor of Arts, the Bachelor of Music, or the Bachelor of Fine Arts degrees. Two-year Associate of Arts degrees are offered in six fields, and the Associate of Science degree is offered through an accredited nursing curriculum. A one-year Secretarial Science program is offered.

To keep pace with an increasing enrollment which is estimated at 9,500 in 1967 a Master Plan has been developed to utilize land available to the University.

Building Program

Currently, the University is engulfed in the greatest building program in its history. The new Lawrence W. Weatherby Administration Building (page 7) and the Kelly Thompson Science Complex and Hardin Planetarium were scheduled to open this fall. The new Academic-Athletic Building No. 2—L. T. Smith Stadium (page 23) and two new dormitories are now under construction. A bid has been approved for the construction of an Academic Complex for the Department of Home Economics, the Department of Nursing, a university hospital, and educational television studios. An educational complex is planned to facilitate teacher training and also contain a new laboratory school.

Crowned by a commanding hill, which provides the impetus for the "Hilltopper" nickname, the 185-acre Western campus is one of the most beautiful collegiate settings in the nation. Western is a university that has turned its focus upon tomorrow with a strengthened, progressive curricula, building program to meet future needs, and the establishment of new services to its students and the community for a better Commonwealth of Kentucky.

HILLTOPPER COACHING STAFF

Front row: Turner Elrod, Nick Denes, Jimmie Feix; Back row: Robbie Franklin, Joe Bugel, and Jerry Glanville.

With ten collegiate seasons behind him, head coach **Nick Denes** is the "dean" of the all-time Hilltopper head football coaches in years of service at Western.

Coach Denes' previous Western squads have compiled a 50-38-6 slate that includes the Tangerine Bowl and Ohio Valley Conference championship team of 1963. He has been voted the OVC "Coach of the Year" award in 1961 and in 1963.

Defensive coach **Turner Elrod** has served on the Hilltopper coaching staff since 1949, when he returned to The Hill after becoming one of the finest all-around athletes in Western history from 1927 through 1931.

Offensive coach **Jimmie Feix** has an impressive and appropriate background for his duties as the director of the Hilltoppers' offense.

He was selected to the Little All-American team in 1952 after quarterbacking Western to a tie for the OVC championship and a Refrigerator Bowl triumph.

Line coach **Joe Bugel** is in his third year as a full-fledged member of the

Hilltopper coaching staff, although his grid prominence was known as an outstanding lineman at Western.

Western has two graduate assistant coaches this year. **Jerry Glanville** brings a solid coaching background to the Topper camp, where he is helping to develop the Toppers' defensive line, and **Robbie Franklin** an outstanding lineman for the University of Tennessee for the past three years, will assist in Western's scouting program.

It's Homecoming: Western Vs Morehead

Today's game between defending OVC champion Morehead and current league co-leader Western provides a fitting highlight to the Hilltop's 38th annual Homecoming Day.

Appropriately, the Homecoming theme "A Trip to Victory" is indicative of Western's season, in which the Hilltoppers have rolled to a glittering 4-0-1 record. "A Trip to Victory" for Western

would assure the Hilltoppers of remaining in first place and would push Morehead out of contention for the 1967 crown.

Coach Guy Penny's Eagles enter the game with a 4-2 overall record and a 2-2 conference slate. Morehead's chief offensive threats are Tommy Gray, who has carried 82 times for 489 yards, and Leon Wesley another flashy speedster.

Coach Nick Denes' Hilltoppers remain tied for the conference lead by battling Eastern to a 14-14 deadlock last week. In that game, junior quarterback Mike Egan took the wraps off Western's passing attack by completing 10 of 14 passes for 183 yards and one touchdown. Junior split end Jim Old grabbed seven of those passes for 113 yards.

Such a passing attack gives Western a newly-found companion to its fine running game that has been paced by Dickie Moore, who has scored 11 touchdowns and has gained 694 yards this season. Moore is ten points within the university career scoring record if 156 points set by Max Stevens in 1950-1953.

Defensively, the Hilltoppers—without sophomore safety Bill Muller—will rely on defensive aces Walt Heath, Wes Simpson, Tom Vanest, Bill Hape, Romeo Crennel, Lawrence Brame, Jim Garrett, Johnny Jagers, Jerry Humble, and William (Jelly Bean) Green.

In 37 previous Homecoming games, Western has compiled an impressive 23-12-2 record.

The annual Homecoming Queen was crowned last night at the Coronation Ball. The Western coeds competing for the title were Pat Arnold, Carol Clark, Vivian Denton, Pat Hunt, Glenda Moody, Linda Thompson, and Karen Williams.

ste you never get tired of.

Why do so many corporations contribute to America's colleges?

1. () they want to help the colleges

2. () they need the leaders colleges train

You were right if you checked No. 2.

American corporations want to make sure there will be enough college-trained leaders to fill the management jobs open today and in the future.

This is good insurance for business.

And the need, we must remember, isn't getting smaller.

World trade is developing fast; business is getting more competitive, more complex; science is introducing new products and processes rapidly.

College-trained men and women are needed, in increasing numbers, to plan and direct the activities of business.

Published as a public service in cooperation with The Advertising Council and the Council for Financial Aid to Education

But the colleges can't do the training job alone. They need classrooms, laboratories and facilities, yes. But even more, they need backing to maintain a staff of top-notch teachers.

This is the human equation that makes the difference in reaching the **margin of excellence** needed in the U.S.

This is everybody's job, but especially industry's.

Of course American business wants to help the colleges, so you were also right if you checked No. 1. College, after all, is business' best friend.

TODAY'S OPPONENT

MOREHEAD STATE UNIVERSITY

Morehead, Kentucky

Founded in 1922, Morehead State University is a state-supported, multi-purpose university with a campus covering more than 455 acres of gently-sloping lawns.

There are five Schools within the University — Applied Sciences and Technology, Education, Humanities, Sciences and Mathematics and Social Sciences.

The Bachelor of Arts and Bachelor of Science degrees are offered, while various graduate programs lead to the Master of Arts, Master of Science, Master of Music, Master of Higher Education and Master of Arts in Education degrees. Additional work may be earned beyond the Master's degree.

There are more than 50 major structures on the campus with a total value estimated at more than \$55,000,000. A \$15,000,000 expansion program is currently near the half-way point in completion. Five new buildings have been completed and put into service within the past three months. The most spectacular of these is Mignon Tower, a 16-story cylindrical residence hall for women, which houses 300 co-eds in 75 suites.

The others are: Alumni Tower, a 10-

ALUMNI TOWER

story residence hall for 384 men; a new apartment building for married students; a 132-man dormitory for members of the Morehead athletic teams;

and a health and physical education building which features an activities room of more than 20,000 square feet of floor space.

With completion of these five major buildings, another \$7 million in construction is in progress. Construction is underway on a Professional Education Graduate Studies Building, Lappin Science Hall, Art Building, and addition to Baird Music Hall—all to be completed in 1968.

More than 6,000 students currently attend the University and there are about 8,000 alumni. The faculty numbers more than 300 and 40 states and 15 foreign countries are represented among the student body.

The University offers credit courses in the evenings and on Saturdays, provides for off-campus and television instruction and has an active extension division.

Morehead State University is a member of the Ohio Valley Conference and the National Collegiate Athletic Association. The University plays an intercollegiate schedule in football, basketball, baseball, track, golf, tennis, cross country, swimming, wrestling and soccer.

Dr. Adron Doran, who took office in 1954, is the seventh president of the University.

HILLTOPPER FOOTBALL IN REVIEW

Western Kentucky University Football has a history of its own.

It is a past filled with two Bowl champions, four Little All-Americans, in addition to 239 victories, 149 defeats and 22 ties.

Those 239 victories were collected under the guidance of coaches M. A. Leiper, J. L. Arthur, L. T. Smith, E. A. Diddle, James Elam, Ernie Miller, Jesse Thomas, Carl Anderson, W. L. Terry, Arnold Winkenhof, Jack Clayton and current head coach Nick Denes.

Western's initial intercollegiate football game was against Middle Tennessee in 1914 when MTSU smashed Western Normal 47-0.

Until 1927 Western did not have its current stadium. Practice was held on a field where Bowling Green High School is now located. And the man who has made Western athletically what it is today, E. A. Diddle, was the Topper coach when the current stadium was constructed, replacing an old eyecore stone quarry.

Western's first home game was a smashing 61-0 success over Bethel (Tenn.) College under the watchful and soggy eyes of 1,200 fans in a heavy rain.

Western's first homecoming win was a 7-6 effort against the University of Louisville in 1927. Since that time Western teams have turned in 23 additional

Jimmie Feix
QB—1952

Jim Hardin
G—1957

John Mutchler
E—1963

Dale Lindsey
FB—1964

homecoming victories compared to only 11 losses and two ties.

Some of Western's past opponents have since risen to grid powers. Miami (Fla.), Mississippi, Vanderbilt, Kansas State, Louisiana State, and Marshall have garnished Western's table of opponents.

The Toppers' current head mentor Nick Denes was presented a 10-6 win over East Tennessee in his first game coached at home in 1957. Since that day he has guided the Toppers to a total of 50 victories, prior to the 1967 season.

Since joining the Ohio Valley Conference in 1948, with Jack Clayton as head coach, Western has compiled a 49-55-6 record.

Western century marks have been a 100th win against Kansas State (7-0 in 1937), a 200th win against Austin-Peay (20-0 in 1959), and a 100th loss to Evansville (21-13 in 1954.)

In 1952, the Jack Clayton coached Toppers ended the season with a 34-19 Refrigerator Bowl victory over Arkansas State for a final 9-1-0 record. Eleven years later, in 1963, Nick Denes' Toppers earned Western's second bowl victory with a 27-0 trouncing of the U.S. Coast Guard Academy in the Tangerine Bowl.

Through the years Western has produced four Little All-Americans in football. Quarterback Jimmie Feix (now Western offensive coach) became the first in 1952. He was followed by guard Jim Hardin in 1957, end John Mutchler in 1963, and fullback Dale Lindsey, now a Cleveland Brown's Linebacker, in 1964.

Western football has a proud history and is looking to a bigger and brighter future with the completion of the new L. T. Smith Stadium.

OVC ENTERS 19th SEASON

With the 1967 football season underway, the Ohio Valley Conference enters its 19th athletic season with a colorful past history and a promising future as one of the nation's strongest athletic conferences.

Growth and national recognition have accompanied the OVC since its birth date in 1948. Prior to 1955, only three OVC members had been ranked as major basketball powers, with Western Kentucky receiving six invitations to participate in the National Invitational Tournament in New York. But in 1955, the National Collegiate Athletic Association formally designated the OVC as a major basketball conference, thereby assuring the loop of representation in the NCAA Tournament. In 1965, the OVC had two participants in post-season tourneys: Eastern Kentucky in the N. C. A. A. and Western Kentucky in the N. I. T.

Likewise the OVC seeks to become a major football power as the caliber of competition and interest rises with each season. Bowl bids are common for the OVC which has participated in the

Tangerine Bowl classic at Orlando, Fla. four times and hosts the Grantland Rice Bowl on Middle Tennessee's campus.

Administrative growth has paralleled the rising progress of its athletic teams. In 1960, presidents of the member colleges expanded a three-man judiciary committee to a seven-member Executive Committee, which still exists.

The evolution of the office of commissioner has been the key to the conference's maturation and organization. The current Ohio Valley Conference Commissioner Arthur L. Guepe is also the league's first full-time commissioner.

Among Commissioner Guepe's responsibilities is the interpretation and enforcement of Conference regulations and eligibility rules, in addition to his publicity and statistical duties.

The Ohio Valley Conference is one of the nation's most cohesive governing bodies of athletics. Continually striving to make improvements in the league's structure, the OVC should continue to grow as it has during the past 18 years.

Stadium Information

Drinking

Drinking in Western Stadium is prohibited by State Law forbidding the use of alcoholic beverages on state property.

Tickets

Please read your ticket for the location of your seat and always keep your ticket stub with you. Tickets for future home athletic contests may be obtained at the Business Office, Lawrence W. Weatherby Administration Building, open Monday through Friday, 8 a.m. to 4:30 p.m., and Saturday, 8 a.m. to noon.

Public Telephones

Public pay-stations are available in the main lounge of the Paul L. Garrett Student Center, which is located behind the Western Stadium.

Lost and Found

Should you lose or find an article in Western Stadium, please report it to the attendant in the press box or to the Information Desk in the Paul L. Garrett Student Center.

Service for Physicians

Out-of-town doctors should leave their name and seat number with the public address announcer. Local doctors will be called over the public address system.

Public Address System

All special announcements to be made over the public address system should be turned in to the public address announcer before the game begins. In case of extreme emergency occurring during the game, notify an attendant in the press box.

Rest Rooms

Rest rooms are located at each end of the Stadium and in the Paul L. Garrett Student Center.

TOPPER ATHLETICS LOOKS TO THE FUTURE

L. T. SMITH STADIUM

The dream of completing a central athletic complex for Western Kentucky University is soon to be fulfilled.

With the construction of a new football stadium and the clearing of land south of the existing Academic Athletic Building No. 1—E. A. Diddle Arena, Western's athletic and physical education facilities are being expanded for future athletic and recreational needs.

Under the supervision of Director of Athletics Ted Hornback, Western's athletic program is becoming well-balanced with excellence and winning teams. Future football, track, baseball, golf, and tennis teams are assured of having championship facilities to meet the calibre of teams that have already brought numerous championships to the Hilltop campus.

When completed, the entire athletics

complex will consist of a 16,400 seat football stadium that can be expanded to 25,000, a track with an all-weather surface, a practice field, a baseball field, and 12 tennis courts with all-weather surfaces in addition to the existing E. A. Diddle Arena—home of Western's basketball team.

The Academic-Athletic Building No. 2—L. T. Smith Football Stadium is a multipurpose structure, including 12 classrooms, a two-story gymnastic room, and 24 private offices in addition to a football dressing room for 80 players, spring sports and visiting dressing rooms for 146 athletes, physical education shower and locker room facilities, public rest rooms, concession stands, equipment rooms, training rooms, officials' and coaches dressing rooms, a first-aid room, and an 80-seat pressbox.

CROSS COUNTRY PREVIEW

"Oh, Brother" may well be the most common expression among the 1967 Hilltopper Cross Country squad this season. Head coach Dr. Burch Oglesby is joined by his 31-year-old brother Gerald, who will assist in the cross country and track coaching duties at Western.

Dr. Oglesby, now in his second full season as a head coach, guided the Hilltoppers to the university's fourth straight OVC track title after a disappointing fourth place finish in the conference's cross country meet last season. His brother comes to Western from the University of Tulsa.

The Hilltoppers hope to bounce back from a 1-4 campaign with returning lettermen senior Pete Sullivan, who holds the school two and three mile records, junior Craig Stern, the school's cross country record holder, and sophomores Jim Walker and Pat Courtney. That foursome is joined by defending OVC mile champion Darrell Myers, David Holdman, and Jim Gossett, all sophomores.

Additional depth may come from freshmen Ronnie Timberlake, Newport News, Va.; John Rhodes and John Swain, each from Louisville, Ky.; Tom Ray, Madisonville, Ky.; and Ron Koker, Baltimore, Ohio.

In five years of cross country competition, Toppers have compiled a

remarkable 20-7 dual meet record in addition to the OVC cross country championship in 1964.

The biggest problem confronting the Oglesby brothers is a back-breaking schedule which features powerful Tennessee and highly regarded Southeast Missouri. Western is to host to second annual Western Kentucky University Cross Country Invitational, Nov. 4.

1967 SCHEDULE

Sept. 30—Harding College Invitational at Searcy, Ark.

Oct. 7—AUSTIN PEAY

Oct. 14—MIDDLE TENNESSEE

Oct. 17—David Lipscomb at Nashville, Tenn.

Oct. 20—Univ. of Tennessee at Knoxville, Tenn.

Oct. 25—Southeast Missouri at Cape Girardeau, Mo.

Oct. 28—MURRAY STATE

Oct. 30—Tennessee Tech at Cookeville, Tenn.

Nov. 4—WESTERN KENTUCKY INVITATIONAL

Nov. 11—Kentucky Championships at Louisville

Nov. 18—OVC Championships at Clarksville, Tenn.

Home Meets are capitalized.

ALMA MATER COLLEGE HEIGHTS

*College Heights, on hill-top fair,
With beauty all thine own,
Lovely jewell far more rare
Than graces any throne!*

*College Heights, with living soul
And purpose strong and true,
Service ever is thy goal,
Thy spirit ever new.*

*College Heights, thy noble life
Shall e'er our pattern be,
Teaching us through joy and strife
To love humanity.*

Chorus

*College Heights, we hail thee;
We shall never fail thee.
Falter never—live forever,
Hail! Hail! Hail!*

BOWLING GREEN, KY.

Foreground: Chevelle SS 396. Camaro SS, top right. Corvette Sting Ray, top left.

Our Sports Department

A look of bold innovation and the feel of competitive excitement set Chevrolet sport models apart from the pack for '68.

Revolutionary styling.

Looking like a dream car come to life, the '68 Corvette Sting Ray is an astonishingly beautiful new sports car. It's nearly seven inches longer and two inches lower. Startling new features include Hide-A-Way windshield wipers concealed beneath a power-operated cowl panel, rear deck spoiler, high-backed bucket seats and push-type door opening buttons.

Great performers, too.

Quieter and smoother riding this year, Chevelle and Camaro,

"The Hugger," offer new sports car-type performance—better handling, big engines. Camaro SS has a bulging striped hood that covers your choice of either a 350- or 396-cubic-inch V8. Chevelle SS 396 for '68 has completely new styling, a wider tread, shorter wheelbase, and a twin-domed hood.

More engine efficiency.

Standard on many models with automatic transmission is an ingenious carburetor heater that gives you increased efficiency in cold weather. Standard, also, is a new GM exhaust emission control.

New ventilation system.

Astro Ventilation, a brand-new system of bringing in outside air, comes on Corvette, Camaro and the Caprice Coupe, and is available on many other models.

Proved safety features.

All Chevrolet safety features are continued and you get many new ones such as energy-absorbing front seat backs and side marker lights for '68. Be smart. Be sure. Buy now at your Chevrolet dealer's.
